

# New Jersey Department of Environmental Protection Notice of Vacancy

Filling of this position is contingent upon further approval process

---

**Title:** Geologist 1

**Posting Number:** SRWMP-2022-1

**Open to:** General Public

**Workweek:** NE (35-hour) Workweek

**Salary:** (P19) \$52,010.00 — \$73,437.20

**Opening Date:** 3/7/2022

**Closing Date:** 3/22/2022

**Existing Vacancies:** One (1)

**Program/Location:** Department of Environmental Protection  
Site Remediation & Waste Management Program  
Enforcement, Technical & Financial Support  
Bureau of Ground Water Pollution Abatement  
401 East State Street, 5th Floor  
Trenton, NJ 08625

**Scope of Eligibility:** Open to applicants who meet the requirements below.

**Description:** Under the close supervision of a Geologist 3 or other supervisory official in a State department or agency, conducts field and office work pertaining to sub-surface investigations, soil compaction, mineral resources, and other related geological work; compiles and analyzes geological data; does other related duties as required.

**Specific to the Position:** This Bureau provides geological and hydrogeologic support on traditional oversight cases (Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA), the Resource Conservation and Recovery Act (RCRA), Department of Defense (DOD), Information Education Communication (IECs), publicly funded cases, and direct Department oversight cases. It also provides geological support to Site Remediation Professionals (SRPs) who review/inspect in areas such as ground water modeling, hydrogeology in complex bedrock areas, establishments of Classification Exception Areas, and assessments of ground water remediation technologies.

This Bureau participates in regulation and guidance document development, training, as well as provides geological support to LSRPs through the Technical Consultation process, and approves NJDEP Discharge to Ground Water (DGW) permit by rule applications.

## Requirements

**Education:** Graduation from an accredited college or university with a Bachelor's degree in Geology, or a Bachelor's degree including or supplemented by thirty (30) semester hour credits in geologic subjects.

NOTE: All U.S. degrees and transcripts must be from an accredited college or university. All foreign degrees and transcripts must be evaluated for accreditation by a recognized evaluation service by the closing date of this posting. Failure to provide documentation may result in ineligibility.

**Experience:** One (1) year of work experience in geology, geophysics, and/or hydrogeology. NOTE: A Master's degree in Geology may be substituted for the one (1) year of experience.

**License:** Appointees will be required to possess a driver's license valid in New Jersey only if the operation of a vehicle, rather than employee mobility, is necessary to perform the essential duties of the position.

**Residency:** All persons newly hired on or after September 1, 2011 have one year from the date of employment to establish, and then maintain principal residence in the State of New Jersey subject to the provisions of N.J.S.A. 52:14-7 (L.2011, Chapter 70), also known as the "New Jersey First Act".

**Authorization to Work:** Selected candidates must be authorized to work in the United States per the Department of Homeland Security, United States Citizenship and Immigration Services regulations. **Note:** The State of New Jersey does not provide sponsorship for citizenship to the United States.

**Note:** Interviews will be granted based on the cover letter, resume and credentials submitted in response to this notice. Applicants may be required to provide a copy of their transcripts at time of interview.

Per Executive Order 253, all State employees are required to be fully vaccinated or undergo weekly testing. Please do not submit proof of vaccination at this time; instructions will be provided if an offer of employment results from this NOV.

**Veteran's Preference:** To qualify for New Jersey Veteran's Preference/status, you must establish Veteran's Preference through the Department of Military and Veterans' Affairs. Please submit proof of your Veteran's Preference along with your resume as indicated below. For more information, please visit <https://nj.gov/military/veterans/services/civil-service/preference/>

**Submit Letter of Interest, Resume and e-mail address by 4:00 PM on the Closing Date to:**

Sarah Barrett

Site Remediation & Waste Management Program
